Q: The program is not working as expected
A: Make sure you have the latest version of Adobe Flash Player installed from www.adobe.com

Q. I click on any of the PDFs in the teacher resources in the Food section but nothing happens?
A: Download "resources.zip" from http://support.2simpleweb.com/public/fixes/2Start_English/ .
Unzip the file. Take resources.swf and replace the existing file with the same name in the unit 6
resources folder. By default this will be located at C:\Program Files\2Simple Software\2Start
English\unit6\resources.
