Literacy Collection FAQ

For the latest version of this document please go to www.2simple.com > support

Q: The program is not working as expected
A: Make sure you have the latest version of Adobe Flash Player installed from www.adobe.com

Q: Where are the support languages used in the program?
A:The support languages are only used to summarise certain parts of the program – they are not used to translate all elements of it. To access the support language elements:
 Ancient Mariner – Click on the Mariner's Logbook at the top of the screen
Sherlock Holmes – Click on Watson's Notebook at at the top of the screen from the 2nd page onwards
 Midsummer Night's Dream – Click on Script, go to the summary section (click the flower on the bottom right) and click on the speaker
PCSO – Click on the different speaker icons on the main page
Cooks and Cooking- Click on the different speaker icons on the main submenu pages
