

Modelling Toolkit FAQ

For the latest version of this document please go to www.2simple.com > support

Q: "This application cannot run"

A: Right-click the Modelling Toolkit shortcut on your desktop and choose PROPERTIES > COMPATIBILITY. Select "run this program in compatibility mode for Windows 2000" and click Apply and OK.

Q: Can this program be installed on a server only or on a thin client system?

A: Yes, but you need to make the "data" folder read only. For more info see http://support.2simpleweb.com/public/docs/networks/2Simple_ThinClient_installs.pdf

Q: "Director Player Error - Unable to open file "...\Modelling Toolkit\Data\project/main.dxr" because it is already open with write permission by another user."

A: You need to make the "data" folder read only. For more info see http://support.2simpleweb.com/public/docs/networks/2Simple_ThinClient_installs.pdf
